## AROUND THE DISTRICT.

Bashaw will have a skating rink 160x80 feet.

A new G. T. P. depot has been erected at Dorellec.

The citizens of Delbourne intend organizing a Board of Trade.

An application for an hotel license in North Edmonton was turned down by the license commissioners.

The Knights of Pythias have organized a lodge in Wetaskiwin, with an initial membership of thirty members.

The teachers in the vicinity of Perintoth will hold a convention on December 16th. The meeting will take place in Perintoth.

Wainwright has just formed an agricultural society and has acquired 30 acres of ground for the purpose of establishing an exhibition park.

From November 1st to 15th, O. B. Olson, secretary-treasurer of Camrose, was kept busy signing receipts for taxes, and during that time he took in over \$15,000—half the assessment.

\$100,000 was collected in Calgary in two days for publicly work. A canvass was made by collecting teams and it was stated that another \$100,000 could be raised inside the ten days allotted for the purpose.

The citizens of Wainwright are erecting a large curling and skating rink at a cost of \$2,000. The rink will be owned and operated by the town and the profits if there are any, will go to the municipality, and if anything should happen that there should be a deficit, the town will have to make good. The money was raised by the sale of debentures.

Harry Leine and Harry Neine, the two young men who were accused of manslaughter as a result of the explosion of some powder used in photography in Lacombe last month, were released last Friday at Red Deer by a jury which returned out of the court room just 30 minutes. The accused traced their movements from the time they left the United States until the night of the fatal accident which resulted in the death of Station Agent McLeod, leaving no doubt as to their innocence of the charge.

There is some talk of a creamery being built in Bashaw in preparation for next summer's trade.

About sixty citizens of Red Deer banqueted J. H. Menzies, the retiring manager of the Northern Crown Bank last Friday evening.

The first load of grain to pass through the bins of the new elevator at Bashaw was taken in on Thursday. Bashaw & Sons are the owners of the elevator.

The tax rate in Wainwright for the year will be ten mills on the dollar. The school rate was struck at five mills. There are over eight hundred names on the tax list.

The three coal mines of Toleda are being worked to their utmost capacity to try and keep up with the demands. New machinery will be installed next year.

A petition is being prepared and circulated by the general secretary of the United Farmers of Alberta, among their local unions in favor of the Initiative and Referendum.

## SUICIDE AT BASHAW.

The residents of Bashaw received a sad and sudden shock last Monday afternoon when it became known that Mr. E. McNutt had committed suicide in his home situated on the outskirts of the town, by shooting himself with a shot gun. The gun had been placed through a back of a chair, and the victim must have reached down and pulled the trigger, the charge entering the lower part of his face and carrying away the whole left side. The deceased was a plasterer and brick-layer by trade, and had everything in readiness for his marriage with a girl from the Red Deer. For some reason the wedding was postponed and this so weighed on his mind, that probably in a fit of despondency he committed the rash act. The coroner from Lacombe was called, and was accompanied by Constable Curry of R. N. W. M. P. A short investigation was made but it was decided unnecessary to hold an inquest.

The late Mr. McNutt formerly resided in Peterboro', Ont. The remains were interred in the Bashaw cemetery this (Thursday) afternoon.

## LOCAL HAPPENINGS

All kinds of job printing—The Journal.

Mr. and Mrs. Chas. Roy are visiting in Edmonton at present.

Methodist services in Steers' Dining Hall next Sunday at 8 o'clock.

H. H. C. Browder is busy loading several cars of grain in the Mirror yards.

Board of Trade meeting Tuesday evening, Dec. 5th, at the Roy Hardware store.

Mr. O. C. Jamieson, of Young, was assisting Mr. P. L. Harper in the station for a couple of days last week.

If you haven't subscribed for THE JOURNAL—now is the time to do it. One dollar William will do the trick.

The Masquerade Dance at Lamerton tomorrow (Friday) evening will take quite a number from this town.

Church of England services were conducted in St. Monica's Church last Sunday by the Rev. O. Creighton.

Mr. Erben McMurray left for his home at Gladstone, Ont., this week where he intends to spend the next six months.

TO RENT—Office, two rooms, Lake Street. Apply, MIRROR, ALTA.

DEUTMAN & JOHNSON.

Mr. H. Hattam, baker, has been compelled to build an addition to his bakery, to comply with the increased demand for "elo staff of life."

A spring belonging to a light wagon has been at the printing office. Owner may have same by proving property and paying for this notice.

Mr. J. Steele and family, of Scott, Sask., arrived in town this week and have decided to remain here permanently. Mr. Steele is a brother-in-law to Mr. F. Tulloch.

Mr. Mike Mehr, of Muenster, Sask., was visiting Mr. L. M. Joa for a day or so this week. Mr. Mehr is in the field as a councillor in the above named town but intends returning to Muenster next spring and will enter into partnership with Mr. Joa in the implement business.

The many friends of Mr. Woodall were sorry to learn of his removal to Winnipeg this week. "Scotty" as he was familiarly known by all has been working with the survey party in Mirrorsince early summer and made himself very popular with everyone. A number gathered in the King George Restaurant the evening before his departure and gave a little supper in his honor. Good luck, "Scotty."

The change in the service on the Mirror branch south from the main line has brought out many complaints and our townspeople will miss the daily service which has proved a great boon in the past. The change made on the 28th inst., means the removal of the daily passenger altogether, leaving a tri-weekly mixed, to do all the business between here and Toleda. This train leaves Mirror at 7 a. m., arrives Toleda at 1:35, Tuesdays, Thursdays and Saturdays. On Mondays, Wednesdays and Fridays the mixed leaves Toleda at 10:40 a. m., arriving in Mirror at 5 p. m.

Hockey match next Thursday at 3 p. m.—weather permitting.

Mr. Ed. Coleman has placed another pool table in his parlour.

Mr. J. Steers and his editor of this sheet were in Bashaw today (Thursday).

WANTED—At once—good fat cattle and calves. Apply, The Quality Meat Market for prices, etc., Mirror, Alta.

Conductor Clendenning, who has been in charge of the Toleda-Mirror train on the Toleda-Mirror branch, will hold the same position on the mixed.

The different committees in charge of the Board of Trade banquet on Friday, Dec. 15th, are getting things in shape for the dinner. We are informed on good authority that the entertainment committee have an excellent program already in hand, composing some of the best local talent. The invitation committee have secured a list of over one hundred and thirty, and providing the weather man in his good behavior that night, the affair should be a great success. The banquet committee have their work cut out for them, but as it is composed of capable and experienced members, they will no doubt give a good account of themselves.

## BOARD OF TRADE

The regular weekly meeting of the Mirror Board of Trade held in the printing office last Tuesday evening proved to be one of the most interesting held so far. Questions of vital importance to the future welfare of this enterprising town were introduced, and while not disposed of satisfactorily, were partly settled for a short time at least.

President Roy occupied the chair and on motion of N. H. G. Ruthven, seconded by J. N. Mitchell, the minutes of last meeting were adopted.

Two new members, W. D. Cook and W. J. Kadlec, joined the Board.

Ruthven-Williams: That the Board forward a copy of THE MIRROR JOURNAL to the advertising tables connected with the Grand Trunk Railway system at St. Paul, Minn. Carried.

A letter from Hon. J. P. Macbee, chief railway commissioner, stated that the matter of placing sidings into the loading platform, etc., had been taken up with the railway company and a further report would be given later.

A letter from a party in Aberdeen, S. D., wrote asking for information as to harness shops. This line of business is not represented in Mirror at present and the particulars will be forwarded to the writer from the South.

A communication from Olde, Alta., soliciting information re bakery, confectionery; also wanted to know if there was a railroad into Mirror.

A letter from Portland, Ore., was read, in which information as to the price of coal, freight rates, cost of lumber, horses, coal, etc., etc., and the Secretary will answer giving all necessary information.

The Security Elevator Company informed the Board that it was too late in the season to commence operations on an

elevator at this point. They were willing to give quotations at any time and are in the market for truck shipments. The Board would have been pleased to receive a more favorable answer to their demands for an elevator or even a truck buyer and decided to make the best of a bad job and so authorized the Secretary to forward a list of names of prospective shippers.

Secretary Staples here registered a kick and informed the Board that the business was increasing so rapidly that he needed an assistant to help him out. On motion of T. R. McCorkell, seconded by J. F. Flewelling, W. J. Good was appointed Assistant Secretary. A standing committee, composed of a majority of the officers was appointed to act as an executive committee and attend to any business that might arise between regular meetings.

Ruthven-H. W. Williams: That members under 21 years be admitted with a fee of \$1.00, to have a vote on all questions, except financial. Carried.

Staples-Flewelling: That the Board of Trade meet the 1st and 3rd Tuesdays of each month instead of every Tuesday evening. Carried.

The most interesting topic was then introduced and one which has been occupying a prominent place in the minds of all the members, namely: The moving of the Lamerton Mercantile Co. to Mirror. Mr. Williams took the floor and after asking a number of questions, which were satisfactorily answered, informed the Board that it was impossible for him to move at a moment's notice. The want of a proper accommodation was one reason; that combined with several other causes prevented him from leaving Lamerton. Mr. Williams stated emphatically that it was his intention to make the move just as soon as he could possibly arrange it and that he was doing all he could for Mirror and would continue to do so, believing, as we all do, that it was going to be one of the best business points in Central Alberta and wanted to be in on the ground floor and share in the general growth and prosperity. Mr. Williams intends making another business trip to the South and on his return will be in a position to give a more definite answer as to the exact time of his making Mir-

ror the permanent home of the Lamerton Mercantile Co.

An inquiry as to which is the main street of the town, Robert or Lake, brought a number of gentlemen to their feet and the discussion waxed warm, and the president found it necessary to call order several times. It was decided that the Board had nothing to do with the question of the main business street and any residents intending to locate will have to settle that matter for themselves. We propose discussing this important question in the near future and will then go more fully into the present unsettled state of affairs.

Mitchell-Kadlec: That the members elect new officers for the next year at the last meeting in December. Carried.

Board adjourned at 11:15 after one of the best meetings ever held in the career of the Board of Trade.

## HOCKEY MATCH.

The first hockey match of the season will take place on the Mirror rink next Thursday afternoon, Dec. 7th at 3 p. m., weather permitting. The Bashaw seven and the locals will be the opposing teams. This will be Mirror's first sporting event, and the home bunch will strive hard for a victory. Everybody turn out and bring their best cheer.

## CONSERVATIVE NOMINATED.

At the conservative convention held in Lacombe last Monday Mr. A. M. McDonald was nominated as candidate to contest the coming Provincial election, against Mr. W. F. Puffer, the present member. Mr. McDonald is an attorney practicing in Lacombe and has held the position of president of the conservative association, and as an evidence of his good work and popularity has been chosen as the conservative standard bearer.

At the close of the convention a banquet was tendered Mr. A. McDonald, the defeated candidate in the last Dominion election, at which many prominent speakers and politicians were present.

Mr. W. W. Scott, of Jarvis Bay, was the delegate in attendance from this riding.

## DON'T BE A "KNOCKER."

The duty of sounding the praises of the place in which he lives devolves upon the citizen to an extent that he does not usually realize. The success of the town in competition with other towns is as essential to his welfare as in the merchant's success in competing with other merchants. It behooves him to be always energetic and always enthusiastic in support of his community. If all residents could arrange to pull together for the benefit of their town, there would be no reason to entertain doubts about its progress and prosperity.

Most new towns in the West are growing, and some of them without the advantages and natural resources that Mirror boasts of, are growing fast. They grow and develop because their citizens display public spirit and uphold their town name on every occasion. What applies to towns and villages applies also to the rural districts by which they are surrounded. It is a fine thing to hear a farmer laud the section of the country in which he is located and make favorable comparisons regarding the advantages and opportunities which it offers to settlers.

The merchant should not neglect to "boost" his town and district because the expansion of settlement and growth of population will mean an enlarged area of activity for him. The more people there are in a district, the greater will be his opportunities for trade.

Every man can help his community—and thereby help himself—by a determination to give it the best possible reputation at all times.

## THE LEGALITY OF MARRIAGES PERFORMED BY PRESBYTERIAN PREACHERS.

Presbyterians are uncertain as to the legality of the marriages performed by some of their specially licensed preachers and workers. These men are not fully ordained in the ordinary manner. They are specially ordained to do duty as preachers and workers in the mission fields of Alberta. Sometimes they are called upon to officiate at marriages. Often there is none else to do so.

The question arises: Are these marriages legal? Will they be binding in the future?

The matter was referred to the attorney-general of the province, Hon. C. R. Mitchell, and a delegation waited upon him and stated the situation. The members of the delegation were Rev. Dr. W. D. Reid of Calgary, superintendent of the home missions of the Presbyterian church in Alberta, and Rev. Dr. D. C. McQueen and Rev. C. A. Myers of Edmonton. This committee represented

the matter to the attorney-general. He has taken the subject under consideration. For the moment he could not say whether the marriages performed under these exceptional circumstances would be legal and binding. He will look up the question. If the present law makes these marriages legal and binding, nothing further will be needed by the Presbyterians. If the law proves insufficient to legalize these marriages, probably legislation amending the present act will be introduced at the next session of the legislature.

## HIGH COST OF FARM IMPLEMENTS.

The farmers of Western Canada have attacked the high cost of agricultural implements and are trying to solve the problem. Edward J. Fream, secretary of the United Farmers of Alberta, has returned from a trip to Plano, Ill., where he went with F. A. Crozier, of Winnipeg, president of the Grain Growers' Association, and E. A. Patrick, of Statistia, Sask., to investigate the output of the plant. The Independent Harvester Co. with a view to establishing closer business relations with the company and the grain growers of the Canadian West. Mr. Fream represented the Grain Growers' Grain Co. of Calgary.

Just what was the result of the conference with the Harvester company Mr. Fream is unable to tell the public who see, by a representative of the press at Calgary.

"Our relations with the company are strictly confidential," he said, "and it would be a breach of confidence for me to make any statement in the matter."

The report from Mr. Fream shows before the Grain Growers' Grain Association, Calgary, Mr. Fream having had a conference with that body. Mr. Fream stated that the question of hall insurance was a very live one among the farmers in the west, and was favored by progressive agriculturists, who are preparing to take definite action in the securing of legislation for compulsory hall insurance.

## ESTRAY LAW.

The Alberta law prescribes that the party who takes up an estray animal must immediately notify the brand reader nearest his place to come out and examine the animal and take copy of the brands, if any on the animal. Then an advertisement must be inserted in the nearest local paper and also in the Alberta Gazette, and until the law is complied with the holder of the estray cannot collect any fee for his trouble or feed. Prompt action must be taken, the law being very strict in this matter. The brand readers are entitled to a fee of \$2.00 for each animal they examine and mileage to the amount of 10¢ per mile for the first ten miles. The cost for reading and the advertising is a charge against the estray animal and must be paid when the animal is claimed. The party holding the animal is responsible for all charges until it is sold or redeemed by the owner. No charges are allowed for feed between the 15th day of April and the 15th day of November. From November the 15th to April 15th a fee of 15 cents per day per head is allowed for horses and cattle, dating from the day on which notice is mailed to the owner of the estray animal or to the Alberta Gazette, but not exceeding the sum of \$0.00. South of the 20th township only 5¢ per day is allowed for feed and the total cost is limited to \$3.00.

Don't bother about the weather. It's the same everywhere only a trifle worse in spots.

Train No. 2 will consist of electric lighted sleepers and, diners, tourist car, day coaches and baggage car.

At the supreme court at Red Deer, Justice Stuart sentenced Arthur Kelley to seven years in prison, for the attempted murder of Chief of Police George Bell, of Red Deer. During July Kelley attempted to hold up two Red Deer citizens at the point of a revolver and the chief of police who was passing at the time, interfered. In the scuffle which followed Kelley discharged the weapon at his assailant and Bell was thrown to the ground almost fatally wounded.
